

Monkton Country Day Care September 2021

Hard to believe summer is over and a new school year is about to begin. Can't wait to see all the smiling faces return this year. We are excited to welcome several new families to Monkton Country Day Care. As always, thank you for entrusting your children to our care, we intend to make every child's experience a positive one. If you have any questions or concerns, please feel free to shot me and e-mail or give me a call.

MCDC teachers will be communicating with their families again through an online app called Class Tag. Email invites have been sent out to connect with your child's teacher. Anyone needing assistance with this technology please contact the school as we try to navigate this "modern" way of communication together.

Upon your child's first day of school, all forms need to be completed from the "Welcome" folder, if you have not done so already. These forms are required to be updated annually by MSDE.

We appreciate your cooperation.
