## Sun Screen and Bug Spray

If you would like your child to wear sunscreen and bug spray outdoors, please apply it BEFORE your child comes to school in the morning. For Day Care families, please send sunscreen and bug spray to school. The teachers will re-apply if necessary before going outside in the afternoon. Please make sure your child's name is on the bottles and not left in their bag or backpack. Be sure to check your child for ticks. We have been informed they are again very bad this season.
