Textbook Grant

Our school is part of the Non Public Textbook Program. With the funds we received from the state, we were able to purchase educational materials that promote reading in early childhood. We are excited to add more materials to our resource room. We are very fortunate to be able to take advantage of this program and provide these additions to the students every year.

If your child joined us for camp this summer, please stop by the office to pick up tickets for our drawing. Fill out the tickets with your child's name and return them to the office no later than 10 am on August 22nd.

Four lucky families will receive a 4 pack to an Orioles Game. The drawing will be held, Friday, August 22nd. The date of the game will soon be announced.

Memo from United Methodist Church

The church would like to inform you that they collect the following items year round for various organizations: non perishable food items and travel size hygiene products. They can be placed in the blue bin in the vestibule.
