Summer Camp Program

Get Your REGISTRATION FORMS IN!

Spaces for Summer Camp are starting to fill up.

In order for us to staff accordingly we need registration forms and fee handed back to the office by May 1st. This will guarantee your child's spot for the summer. We have Day Care and Preschool options available.

We hope you will join us for one or many weeks this summer.

For additional information, please contact the school.

Spring Photos

On Thursday, April 16, and Friday, April 17, individual and class photos will be taken of all the children in Miss Danielle & Miss Rachel's 2 year old class, Miss Christina's 3 year old class and Miss Barb's 3 year old class.

Please send your child in the attire you would like for these portraits.

In addition, the children who will be graduating from Monkton will have a graduation picture taken along with a graduation class photo on April 17th.

Order forms have been sent home in the cubbies. Please return them with your package choice and payment prior to or on picture day.

Continuing to Educate our Educators

Once again our Monkton Staff is moving forward in education. Miss Rachel has enrolled at Howard Community College to take her 90 hours in Child Growth & Development and Preschool Curriculum & Activities.

The entire staff is continuing classes for credentialing and accreditation for the entire school for Maryland EXCELS.

Recently, several staff took a class called "Why Do They Do That? Understanding Learning Disabilities".

Looking for volunteers to help tear down the wooden playground structures on the upper field. The NEW playground equipment has been ordered and is ready for delivery.

On April 18th, 2015 we are planning to start at 10 am to demo and remove the existing pieces. Any help would be greatly appreciated by the staff and the children!
