

Monkton Country Day Care July 2013

What's New

The extra classroom upstairs has been transformed into an art/resource room for the children to use. Moving forward, we intend to have Ms. Cheryl work with the children in small groups on art projects during the school year and use the other half of the room for computer time, rainy day activities, or just another room as a change of scenery. A special thank you to Ms. Danielle for putting in the hard labor.

Graduation 2013!

Congratulations to all the graduates of 2013! The ceremony was a huge success thanks to the staff and Graduation Committee who made it a wonderful event. We had a fantastic turn out. We wish all of the graduates a wonderful summer vacation and successful year in Kindergarten.

The dog days of summer are upon us. Please bring in a water bottle for your child to keep in their cubby, a change of appropriate clothing and apply sun screen in the morning. The teachers will reapply sun screen in the afternoon. Also, sandals should be avoided while at school as they are not safe footwear for the playground and the children will be taking frequent hikes during the summer.

Happy Birthday

To:

- 2-Carson R
- 18-McConnaughy F
- 24-Ashton H

July Events

- 3-Bike Day
- 4-July 4th (Closed)
- 10-Eric Energy 10am
- 17-Clear Meadow Farms Field Trip (Tentative Plan)
- 18-Hike Day
- 25-Bike Day
- 31-Hike Day

Alpha Cares!

Our new attendance system is up and running. Please remember to sign your child in & out every day on the computer in the hallway. A quick step guide has been placed by the computer to assist you if necessary or ask any staff member should you run across a problem.

Fall Enrollment

Summer is underway but we are busy getting ready for fall enrollment already. If you haven't turned in your enrollment contract to secure your child's spot for the 2013-2014 school year, please call or email Jennifer Cashman, Director, today for a copy of the contract. Classrooms are filling up quickly! Also, fall paperwork and classroom assignments will be going out in the next couple of weeks in order to get everything back in a timely manner. Keep an eye out for the information in your email.

SUMMER FUN!

FROM PLANTS & ECOLOGY TO SOLAR ENERGY, THE CHILDREN HAVE BEEN BUSY HAVING FUN AND LEARNING HOW TO TAKE CARE OF THEIR ENVIRONMENT. BELOW ARE SOME PICTURES OF THE ACTIVITIES THEY HAVE BEEN INVOLVED IN SO FAR THIS SUMMER

Bees play an important role in the environment; from pollinating crops to making honey. Bee populations are in serious decline.

It was so hot we were even able to cook hot dogs using the sun! Solar Power!!!

Pam the Kindersinger taught us songs about how we can help save the environment by recycling.

ART SHOW FUNDRAISER

Our end of the year Art Show Fundraiser was a huge success! Our grand total came to \$276.00. The funds collected were added to our funds collected during the year and will be used to maintain the school garden. Thank you to all for your donations and we hope you treasure the work your little artists made.
