

Monkton Country Day Care May 2013

Summer Camp Registration

Summer classes have been formed based on the registrations that have been turned in so far.

Camp will operate with 11 weekly themed sessions from June 17th - August 28^h. We have planned exciting science-based activities for the summer to excite all ages!

Camp registration forms are available in the lobby on the display for your convenience. Please feel free to see me with any questions you may have regarding the summer program .

Hearing & Vision Tests

Hearing and vision tests will be conducted by the Baltimore County Department of Health for any child that has turned 4 years old on Wednesday May 1st. Permission slips were sent home with each child. If you are interested in having your child tested please return them to ensure that your child will be able to participate .

The Bird

We were visited by the Orioles Bird last month to help kick off the opening of baseball season. We also enjoyed an All American Hot Dog Lunch with hot dogs, chips, watermelon and ice cream. Thank you to our "special bird" for arranging the visit.

Happy Mother's Day

In May we honor our Mothers, young and old, who make such a difference in our lives. The children wish to celebrate with their Moms on Thursday May 9th and Friday May 10th with a muffin breakfast from 8:30-9:00. Please join your little one in the conference room for a light breakfast.

Coming Soon!

We will be introducing our newest technological addition to the school soon. Alpha Cares will allow parents to sign children in and out of school via the computer instead of using our current paper method. The program also allows us to track children's files, bill tuition and manage a number of other operational features. We will be planning a "soft" introduction to the system this summer and go live with it this fall.

Teacher Appreciation Week

May 6-10

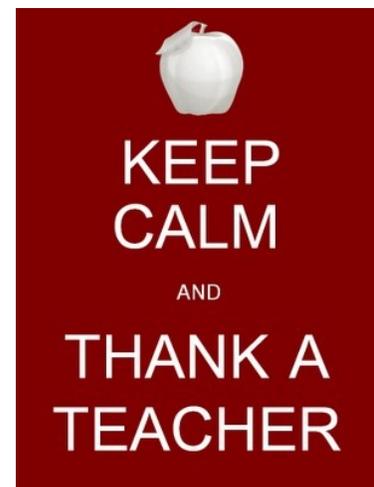

Over two years ago I had the pleasure of joining a fabulous group of educators here at Monkton Country Day Care. As I've grown to know these special ladies I can only say that I admire them more today for their knowledge, patience and love they have for the children. They provide a wonderful educational experience for every child that enters our doors every day. Please help me in thanking them for all of their hard work, not only this week, but every day.

Change of clothes

Now that Spring has arrived (or is at least trying to), please check your child's cubby for appropriate and extra change of clothes.

Sun Screen

If you would like your child to wear sunscreen outdoors, please be sure you apply it lavishly BEFORE your child comes to school in the morning. For Day Care families, if you would like to leave Sun Screen at school, the teachers will be happy to re-apply sunscreen if necessary. Please make sure your child's name is on the bottle and not left in their bag or backpack.

Just a Reminder

Tuition invoices are sent out the first of every month and payments are due **no later** than the 10th of every month. If the 10th of the month falls on a weekend, tuition is due on the next business day. A \$20 late fee will be assessed to any payments received after the 10th of the month.

Fall 2013-2014 Contracts

Contracts for the fall session have been finalized. Based on your Intent to Return form, the appropriate contract will be sent home in your child's cubby this month. Please return them by May 13st.
